Easy cake dessert

Place a whole can of pie filling in square cake pan or any kind you like; apricots, pineapple, cherry, etc. Sprinkle a cake mix, dry, all over pie filling - yellow or white mix. Melt 1/4 lb. Oleo or butter and spoon it over the top. Then sprinkle nuts all over the top, any kind, and bake 350°, 45 mins. or more. Bake an hour if you want it crispy and brown. Can be served warm with ice cream or whipped cream.

My cake mix asked for two eggs but I didn't use →

them. I made it just like the recipe & it was good).
